Part 1

Declaration to be signed by parent or guardians of applicant:

I apply to have my child(ren) entered for the junior sailing course 2017.

Please indicate swimming ability: Non-Swimmer Beginner Competent

I have read and understand the Notes for Parents and Trainees and understand my child(ren) will be a member for the duration of the course and while a member, will have access to use the Club Picos according to the conditions set out in the Club Boat Usage form on the Junior Training section of the website.

I agree to waive any claim against Greystones Sailing Club, its members, servants, and agents for all and any losses howsoever arising including the costs of any damage to my property, my child's property or any personal injury to me or my child or any other child who may be injured by the acts or default of my child arising from my child's participation in the course

I acknowledge the right of the sailing club and the course organisers to make all relevant decisions about matters relating to the sailing course including decisions affecting my child's ability to sail in any given set of circumstances. I acknowledge that it is a condition precedent of my child's participation on the course that he/she will at all time adhere to such direction as may be given to him / her by the course instructors and I acknowledge the entitlement of the sailing club and the course administrators and instructors to exclude my child from participation in any aspect of the course if it is deemed appropriate by them to so do.

I agree to pay for any damage caused to boats or equipment where my child was responsible for the damage caused.

I acknowledge that in the event of an insurance claim being necessitated as a consequence of the actions, accidental or otherwise, of my child, any excess not covered by the sailing club's policy of insurance will be discharged by me.

I understand video equipment may be employed as a coaching aid on the course.

GSC Junior Code of Conduct

As a junior sailor, participating in Club sailing and training at Greystones Sailing Club, I understand that I am a valued member but, as I am not the only one, I will:

- Show **respect** for Club property and the property of others
- Show **respect** to fellow sailors, instructors and volunteers helping to run racing, sailing and events
- Ensure I am familiar with all **club policies**
- **Obey** all race officials and instructors' directions, event rules on and off the water and Club rules.
- Attend each day on time and **participate** fully
- Dress appropriately: i.e. **wetsuits**, booties, buoyancy aid and kag

I will never:

- Steal, use or remove any gear that does not belong to me.
- Break laws relating to alcohol, non-prescribed drugs and tobacco.
- Cheat, bully, spread rumours, name-call or exclude others.

As a Sailor I am entitled to:

- Participate on an equal basis.
- Be treated with dignity.
- Be **happy, have fun and enjoy** the Club both on the water and ashore.

I understand that if it is found that any junior has not followed the above guidelines the following actions may be pursued:

1. A warning.
2. Suspension from the course or other activities.
3. Suspension from the Club.

Parental Declaration:

We have read and discussed the GSC Code of Conduct. It is on this understanding that:

..... (child(ren)'s names) will participate in training and

sailing at GSC.

ISA Small Boat Sailing Scheme (SBSS) - Junior Training Course Application Form 2017

Course A : 2 weeks for Teenagers

Notes to Parents and trainees.

You will find below details on what is required of the children **and** their parents while on the Junior Sailing Course at Greystones Sailing Club this summer.

Sailing gear: All trainees must provide their own **wetsuit, dinghy boots, buoyancy aid (life jacket), waterproof spray top (kag)** and warm dry clothing and footwear for use when on land. The club can provide a limited number of kag/spray top or buoyancy aids to trainees.

Lunch: Please ensure you have plenty of lunch and water as sailing is exhausting (low GI carbohydrates are recommended) and dehydrating.

Times: Each course runs from **9.30am to 5pm Monday to Friday**. There will be days when weather conditions will prevent some or all trainees going on the water. This cannot be avoided and shore-based activities will be organised in lieu. All trainees are encouraged to use Club shower and changing facilities but should they feel uncomfortable, they may shower and change at home.

Medical issues or learning difficulties: It is imperative for the safety of your child, other trainees and instructors on the course that GSC is made aware of any issues your child may have. Any declaration will be treated in the strictest confidence and shared only on a 'need to know' basis.

Achievements: Emphasis in GSC is on **having FUN in a SAFE and learning environment**. The learning element refers to the attainment, at a consistent level, of **skills required in the ISA SBSS log book** to achieve their level. Time on the water, and attention to instruction will achieve this at different rates depending on the trainees, their commitment and weather conditions.

To this end, all level 1 trainees must undergo a swimming test on the first day of the course; it is advised that level 2 participants have been on the water a few times in advance of the sailing course and levels 3 and 4 are required to have completed 8 and 12 races respectively in advance of the course.

All trainees will be talked through their targets and achievements to date each week during the Junior Training Course.

In all cases, **time on the water**, outside of course hours will certainly reinforce learning and speed up skills acquisition. Club boats are available to members for Club sailing on Wednesday evenings, Saturday afternoons and Sunday mornings, subject to skill level and wind conditions, when coaching may also be available.

On short courses or where trainees only attend a part of the course, weather conditions and time constraints may restrict the ability for instruction in all areas of the syllabus and hence skills acquisition.

It is GSC policy to only pass a trainee when they are ready to move onto the next level which will assume skills acquired in prior levels, demand more rigorous application of those skills in more challenging conditions and at level IV, in performance dinghies.

The ISA syllabus for the Small Boat Sailing Scheme (SBSS) is detailed from a link on our website.

Presentation & Prize-giving - put it in your diary:

There will be an **inclusive** prize-giving and Certificate presentation session from 5pm on the last day of the course. All trainees, **regardless of attainment**, should attend this fun afternoon and parents and siblings are welcome to join us in

the Clubhouse. This may run beyond 5pm

Concerns: Should your child be having any issues at all in anticipation of or while on the course, please let us know as soon as you are made aware so that we may address their concerns early and ensure they are having fun.

Open for Coffee To ensure you have the opportunity to meet other parents, see how the course is run and have a glimpse into what so exhausts your children, we will invite you to join us for coffee and a scone during the sailing course. You are also welcome in the Club to **Try Sailing** or for one of the **Adult Courses (see website)** throughout the summer or just for a natter in the bar after sailing on Wednesday evening, Saturday afternoon or Sunday morning.

This course is open to members of GSC and non- members alike. Course and Membership applications are available from the website. All level 1 trainees must undergo a swimming test on the first day of the course. It is advisable that level 2 participants have been on the water a few times in advance of the sailing course where possible.

There are three separate application forms for the ISA Small Boat Sailing Scheme (SBSS) – see website.

To save time, please ensure the email address section is complete. Courses may fill before the due date of March 31st. Membership queries should be addressed to secretary@gsc.ie.
