

Lifeboats

GSC annual fundraiser for the RNLI

RNLI Trophy Races

Saturday 8th September

Our annual GSC and Noonan Boats RNLI Trophy races in aid of Wicklow Lifeboat will take place around some of our local navigation marks and will last not more than 2 hours depending on weather and conditions on the day.

This is an open event and is open to **all yachts and dinghies** in Greystones as well as to local sailing clubs.

Don't worry if you don't have an ECHO handicap for your cruiser as we will organise one for you on the day ...Remember, a social occasion first and a race second !

As this is the Sailing Club's primary fundraiser for Wicklow RNLI Lifeboats during the sailing season we are suggesting a voluntary contribution of **€10 per person** and **€5 per junior**. All proceeds go directly to aid the Wicklow RNLI all weather and inshore Lifeboats.

Registration for cruisers at Greystones Harbour Marina Offices.
Registration for dinghies at the sailing club.

Wicklow Lifeboat visit:

The Wicklow RNLB "ANNIE BLAKER" will be berthed on the marina from about 4.00pm and the crew would be delighted to show everybody and anybody around their boat !

Prize giving, food, and music in the Club after racing has finished.
